Welcome to ISIS HR Quick Tips!!

ISIS HR Quick Tips is a new endeavor from the Department of State Civil Service aimed at assisting agencies in maintaining accurate and compliant data within the ISIS HR system.

The Office of Information Services has partnered with the Department of State Civil Service to utilize the ISIS HR Employee Administration electronic notification service as a training and enhancement tool for Civil Service related issues. Those employees who are enrolled in the list-serv will begin receiving ISIS HR related information from Civil Service through this service. It is designed to help agencies ensure correct entry and reinforce information that has been published in other documents. Please be sure that any employee who could benefit from this information and assistance is enrolled in the service.

Go to <http://www.doa.louisiana.gov/ois/electronicnotifications.htm> for enrollment instructions and additional information.
