LETTER FROM THE DIRECTOR

I am pleased to present the Louisiana State Civil Service's Fiscal Year 2015-2016 Annual Report. This report includes a snapshot of Louisiana's state government workforce as of June 30, 2016. The goals and mission of State Civil Service are detailed in this report, along with a number of workforce demographics, trends and statistics. The state's workforce is made up of two groups of employees: classified and unclassified. Under the direction of the State Civil Service Commission, our Department has constitutional authority over classified employees. To learn more about classified vs. unclassified employees, readers should refer to [Article X](#) of the State's Constitution.

As I reflect upon Fiscal Year 2015-2016, I would be remiss if I neglected to recognize the financial crisis our state government has experienced. As our state copes with a vast financial deficit, many of our state employees have not recognized increases in their salary and have continued to take on more responsibilities. However, during this difficult time they have worked tirelessly to improve the lives of the citizens of Louisiana. Whether those services involve providing medical care, child protection, safe drinking water, bridges and highways or other support services, our state agencies could not fulfill their missions without employing these dedicated, productive and diverse individuals. State

employees are responsible for bringing to life the vision of Louisiana. As a leader in state government and a citizen myself, I am thankful for their service.

At State Civil Service, we recognize the value of our state employees (both classified and unclassified) and we will continue to strive to provide innovative and efficient human resources programs that enables our state agencies to build and retain qualified staff that will work toward providing services to our citizens and attracting new business to Louisiana. I would also be remiss if I did not recognize the value of the State Civil Service Commission. I commend them on their dedication and support to our Department and the classified workforce. The Commission remains committed to supporting the Department's initiatives to work closely with state agencies to provide a fast, effective, low-cost human resources system that ensures quality results and accountability to the public interest. Please take a moment to review our annual report and visit our website at www.civilservice.la.gov to learn more about our department.
