

Learning to navigate your dashboard is a time saving process that helps everyone increase communication, enhance productivity, and create a seamless workflow. There are multiple navigation options for many actions on the dashboard.

## HOME MENU

1 This is the "Home" menu and the actions associated with it.

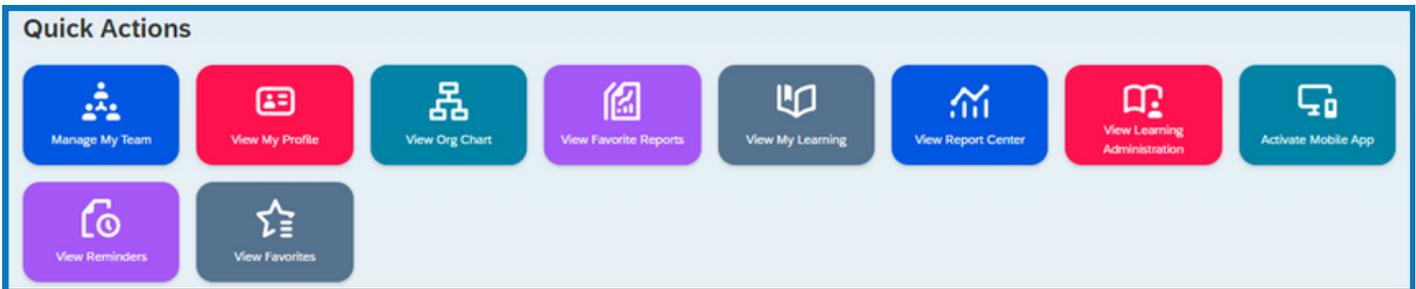

- = Available for system administrators only
- = Open the Organizational Chart for your agency
- = Open your profile
- = View the Goal Plan for you and your employees
- = Navigate to the Learning Management System
- = Navigate to Inbox and CPM Forms
- = Access the reports available to you

**!** Your menu options may be different. Function availability is based on your role and responsibilities.

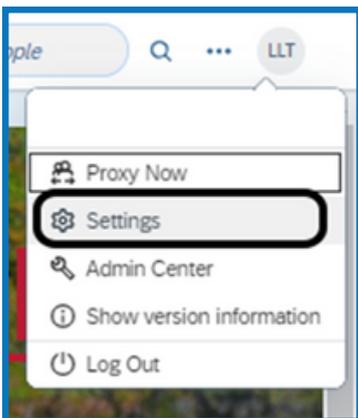

## QUICK ACTION CARDS

2 Many of the same actions, available from the Home drop-down, can be opened here.  
 Actions available here ONLY: "View Reminders" and "View Favorites."

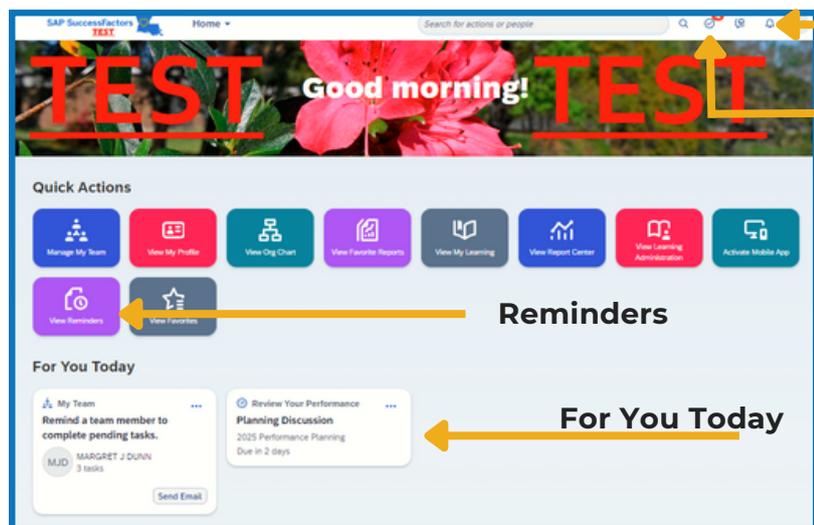

## USER ICON

3 Click "User Icon" to change account settings.

## NOTIFICATION TOOLS

4 There are multiple tools to notify you of items that may need your attention.
