

## How To use the ZP174 Report to track Continuing Education for Classified Group 1 and 2 Supervisors (LaGov version)

The ZP174 report, also known as the Employee Qual Report, can be used with a custom variant to track whether classified group 1 and 2 supervisors in a given personnel area have a continuing education requirement and whether or not this requirement has been satisfied.

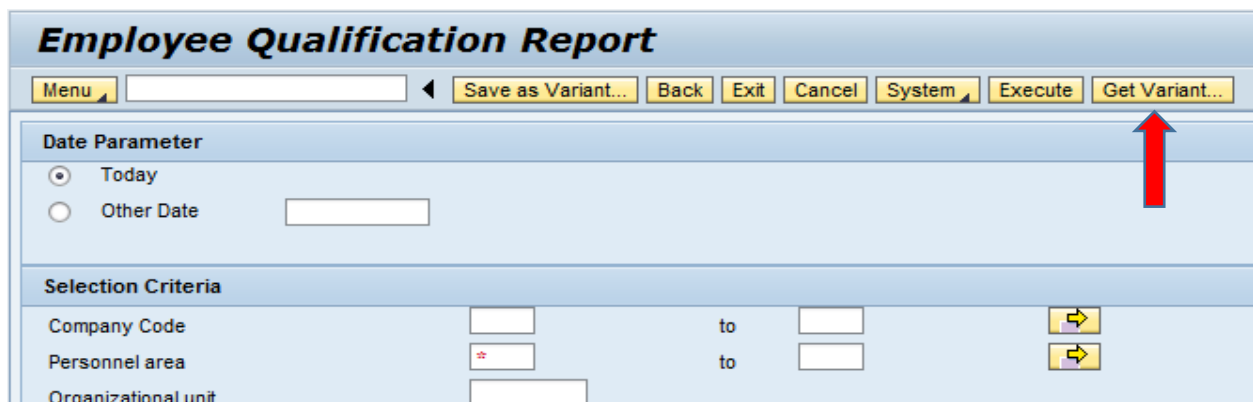

To run the report with the needed variant from LEO:

1. Click Run Employee Qualifications Report

The screenshot shows the LEO - Louisiana Employees Online interface. The header includes the user name 'DANA LEBHERZ' and the title 'LEO - Louisiana Employees Online STATE OF LOUISIANA'. The navigation menu includes 'Home', 'My Info', 'My Staff', 'My Training', 'My Work', 'LSO Instructor', and 'Training Administration'. The 'Training Administration' menu is expanded, showing 'Overview', 'LaGov Trn Coord Overview', and 'Non LaGov Trn Coord Overview'. The 'Services' section is expanded, showing a list of links. A red arrow points to the link 'Run Employee Qualifications Report' under the 'LaGov Learners' section.

2. Click "Get Variant"

The screenshot shows the 'Employee Qualification Report' form. The title is 'Employee Qualification Report'. The form has a menu bar with buttons: 'Menu', 'Save as Variant...', 'Back', 'Exit', 'Cancel', 'System', 'Execute', and 'Get Variant...'. A red arrow points to the 'Get Variant...' button. Below the menu bar, there is a 'Date Parameter' section with radio buttons for 'Today' and 'Other Date', and a date input field. Below that is a 'Selection Criteria' section with input fields for 'Company Code', 'Personnel area', and 'Organizational unit', and 'to' fields with arrow buttons.

3. In the "Find Variant" box,
  - a. Type /SCSCONED16 in the Variant Field.

**PLEASE NOTE: THE VARIANT WILL BE UPDATED AT THE BEGINNING OF EACH PERFORMANCE YEAR.  
FOR EXAMPLE, ON 7/1/17, THE VARIANT NEEDED WILL BE /SCSCONED17.**

- b. Delete your P# from the Created by Field
  - c. Click the icon with a green check on top of a clock

The screenshot shows a dialog box titled "Find Variant". It has a blue header bar with a close button (X) on the right. Below the header, there are five rows of input fields. The first row is labeled "Variant" and contains the text "/SCSCONED". The other four rows are labeled "Environment", "Created by", "Changed by", and "Original Language", and are currently empty. To the right of each input field is a yellow arrow icon pointing to the right. At the bottom right of the dialog box, there are two icons: a green checkmark on a clock face and a red X.

4. The Report fields are now prefilled.
  - a. Remove "0560" from the Personnel Area Field
  - b. Type in the Personnel Area number you would like to view
  - c. Click Execute

5. To make the data easier to work with, many people like to export the data to a spreadsheet. Here's how:

- a. Click the **Menu** button,
- b. then put your pointer over **List**, then **Export**, then click **Spreadsheet**
- c. Your system **may** ask you to run SAPGUI for HTML Applet. Click Run.

d. You will then be asked what to name and where to save the file. In this example, the file name is SCSConEd16 and the save location is the Desktop.

e. Click Save. Keep in mind that the export may take some time, particularly if you are looking at a large personnel area. Avoid exporting reports on payroll Mondays and Tuesdays.

The exported report will show each classified group 1 and group 2 supervisor in the personnel area. For each supervisor, you will see 14 lines. Ten of these lines are the qualifications for each of the ten continuing education classes. The remaining four lines are for supervisory group qualifications, including the former Group 1 and Group 2 Supervisory Group qualifications, and the 2015 Supervisory Group 1 and Group 2 qualifications. Let's look at an example.

In this example, last names and personnel numbers are hidden to protect privacy. Organization Unit Text and Job Title are also hidden to conserve space.

*Example 1: Please note that Continuing Education courses for each year will be marked by Performance Year, for example Continuing Ed 16-17 or Continuing Ed 17-18.*

Notice that Adrienne completed her Group 2 Requirements 11/7/2013. As she completed her requirements prior to 7/1/15, she has a continuing education requirement for PY 15-16. This means she must complete one of the twenty continuing education quals between 7/1/15 and 6/30/16. She completed two of the continuing education quals on 7/23/15, so she is current on her requirements.

Here's another example:

0560	CS-State Civil Service	MAXIMILLIAN	SUPGRP 2	50416468	CPTP Supervisory Group 1 Program	6/30/2011	12/31/9999	Completed

In this example, we see that Maximilian was given the Supervisory Group 1 and 2 quals on 6/30/11. 6/30/11 was an arbitrary date used for supervisors who had completed their requirements at some time prior to the introduction of LEO. Maximilian is required to complete one continuing education qual between 7/1/15 and 6/30/15. As of the time of this report, Maximilian has not completed his continuing education qual.

Dana completed her 2015 Group 2 requirements on 1/30/16. We don't know from this report when her due date is. We would have to pull her transcript to find out.

Here are some examples of due dates and continuing education requirements which may be helpful:

1. Supervisor promoted to G2 on 1/2/15; G2 Program due 1/1/16; continuing education requirement begins the following performance year, 7/1/16 (PY 16-17). (This example assumes G1 completed previously).
2. Supervisor promoted to G2 on 6/10/15, G2 Program due date is 6/9/16; continuing education requirement begins the following performance year, 7/1/16 (PY 16-17). (This example assumes G1 completed previously).
3. Supervisor promoted to G2 7/1/15, G2 Program due date is 6/30/2016; continuing education requirement begins the following performance year, 7/1/16 (PY 16-17). (This example assumes G1 completed previously).

4. Supervisor promoted to G2 7/10/16, G2 Program due date is 7/9/17; continuing education requirement begins the following performance year, 7/1/18 (PY 18-19). (This example assumes G1 completed previously).
