FOR THE

STATE CIVIL SERVICE COMMISSION

Public hearing on the appeal of NOEL SANDERS vs. SOUTHEAST LOUISIANA FLOOD PROTECTION AUTHORITY - EAST; Docket No.: S-18855. C. Theodore Alpaugh is representing the employee and Edward Harold is representing the agency.

Instructions: Subpoenas are issued in accordance with Civil Service Rule 13.21. The request for subpoenas shall contain: 1) the names of the witnesses; 2) the street addresses where the witnesses can be served (if a formal subpoena) or the agency where the witness is employed (if a state employee); and 3) a brief statement of what is intended to be proved by each witness. Subpoenas not relevant to the issues in this appeal may be denied.

A continuance of the hearing will only be granted based on a written motion and accompanying order, with documents attached supporting the reason you are requesting a continuance. It will only be granted for compelling cause or to serve the ends of justice. Obtaining an attorney at the last minute is not compelling cause. If you are given a continuance and your appeal is ultimately granted, the Commission or the Referee may deny you any compensation for that portion of time lost because of the continuance. See Rule 13.18(b). We accept all filings by email to scs-appeals@civilservice.la.gov. If there has been a continuance issued for a prior hearing date, new subpoenas must be requested by parties for the hearing dates in this notice.

NOTES:

All exhibits to be introduced during the hearing must be brought to the hearing on a USB drive. Equipment is available for viewing videos in the Hearing Room.

Parking at the Claiborne Building is available south of the Claiborne building, north of the Claiborne building parking garage, or on the west side of River Road across from the Capitol Annex.

If you are disabled and need accommodations to appear and/or testify at this hearing, please call or email the Appeals Section immediately.

*Enter the double doors to the left on the front of the building. This part of the building is five stories. Take the elevators to the 4th floor and follow the signs to the Conference Room. Do not use the entrance on the front right of the building to the Lindy Boggs Conference Center. This part of the building is only two stories.
