Critical Thinking Process Flowchart

Why am I thinking We think for a PURPOSE about X? What is my POV of X? within a POINT OF VIEW Am I biased toward X? What question am I to figure something out, answer trying to answer **QUESTIONS**, or solve a problem about X? What evidence do I using data, **INFORMATION**, and have for X? evidence based on concepts and ideas Is it valid? What can I infer from to make **INFERENCES**, judgements, evidence about X? or interpretations What is solution by which we draw **CONCLUSIONS** for X? Now that I have that have **IMPLICATIONS** and solved for X, what are **CONSEQUENCES** consequences?
