GENERAL CIRCULAR NUMBER 2022-051

DATE: November 14, 2022

TO: Heads of State Agencies and Human Resources Directors

SUBJECT: 2023 State Civil Service Commission Election – Election of Employee Member of State Civil Service Commission

NOTE: PLEASE POST THIS GENERAL CIRCULAR IN A LOCATION GENERALLY ACCESSIBLE BY ALL EMPLOYEES.

This General Circular is to serve as notice that the term of the present elected employee member of the State Civil Service Commission will expire on April 30, 2023. Revised Statute 42:1351 et seq. provides for the election process to fill this office. Administrative procedures are provided in the Louisiana Administrative Code (LAC 40: XXVII. §101).

Per the statute, the classified employee member of the State Civil Service Commission shall be a full time, permanent employee in the classified state service for a period of one year prior to the date on which he qualifies as a candidate. The term is for six years, which will commence on May 1, 2023.

In accordance with state law, the call for this election will be issued effective January 2, 2023. Nomination as a candidate for the office of employee member of the Commission shall be by petition of at least one hundred (100) permanent employees in the state classified service. The petition shall be filed with the Director of State Civil Service no later than 4:30 p.m. on January 11, 2023. Nomination petitions will not be accepted prior to January 3, 2023. The official business hours of State Civil Service are 8:00 a.m. to 4:30 p.m., Monday through Friday. Any challenge to the eligibility of a candidate must be done in accordance with State election law.

Eligible voters will consist of classified state employees with permanent status as of close of business on December 3, 2022.

[Nomination Petition](#)

Persons wishing to become a candidate must submit a nomination petition during the filing period, which begins Tuesday, January 3, 2023 and ends at 4:30 p.m. on January 11, 2023.

Blank nomination petition forms may be downloaded from our website at civilservice.louisiana.gov or may be requested by contacting the Election Coordinator by email at Election.Coordinator@la.gov or by writing to:

Commission Election Coordinator
State Civil Service
P. O. Box 94111, Capitol Station
Baton Rouge, LA 70804-9111

Although the law requires only 100 signatures of permanent classified employees, it is suggested that applicants for candidacy secure more than 100 because the verification process may reveal that some signatories are not permanent classified state employees. We suggest at least 125 signatures be secured.

Applicants who have submitted nomination petitions will be notified by U.S. Postal Service Mail and/or email whether they have been qualified as a candidate. An attempt will also be made to telephone them at the phone numbers provided in the candidate information section of the nomination petition.

Completed nomination petitions may be hand delivered or mailed and must be original documents bearing original signatures. **Faxed or emailed petitions will not be accepted.**

Hand deliver completed nomination petitions during normal business hours of 8 a.m. to 4:30 p.m. Monday through Friday to:

It should be submitted as a Microsoft Word document and must be in paragraph form (no bullet points or lists). State Civil Service will not change the wording of any position statement/biographical information submitted but may change the font, font size, bolding, etc., in order to standardize the format and amount of space given to each candidate. State Civil Service reserves the right to refuse to publish statements deemed inappropriate.

If delivering or mailing a portable storage device, such as a USB flash drive, the device should be labeled with the words "Elected Commissioner Candidate Biographical Info" and the candidate's name. A printed version of the contents should also be included with the portable storage device.

Position statements/biographical information sent as an e-mail attachment should be sent to the Election Coordinator at Election.Coordinator@la.gov. **Faxed position statements/biographical information will not be accepted.**

[Election Vendor and Ballots](#)

State Civil Service has contracted with a vendor, Election Services Corporation, to conduct the election. New this election year, ballots will be emailed directly to eligible voters at the work email address reported by the Division of Administration – Office of Technology Services (OTS) or by the employing agencies for those employees without work email addresses within the OTS consolidated email system. Employees will have the option to opt out of receiving their election information and ballots by email and will be receiving an email further explaining the opt-out option. For eligible voters who do not have access to an official work email address or choose to opt out of receiving their ballot by email, State Civil Service will mail ballots to the mailing addresses reported by agency appointing authorities as of December 3, 2022. Ballots will be sent no later than February 3, 2023.

Instructions for voting and candidate position statements/biographical information will be included with each ballot. Voting may be accomplished by mailing back the completed paper ballot, if applicable, or by telephone or internet, using instructions provided with the ballot. Each ballot will have a unique PIN number to identify each voter, and this will be validated as ballots are received to ensure that no employee votes more than once and that the person casting the vote is a bona fide voter. The final date to cast a vote by telephone or internet will be the date and time specified on the ballot. All paper ballots must be physically received by the vendor by the date and time specified on the ballot to be included in the tabulation. **Postmarks are not acceptable for receipt date verification.** The vendor will collect and tabulate all votes and provide certified results to the Director

of State Civil Service within five days of the close of voting, i.e., no later than March 1, 2023. In the event that no candidate receives at least thirty-five percent of the votes cast in the election, there will be a runoff election between the two candidates with the highest number of votes.
