On behalf of the State Civil Service Commission and the Department of State Civil Service, I extend our sincere appreciation to all state employees for their service and dedication, both in the workplace and in their communities.

We recognize the essential roles that all state employees play, classified and unclassified alike, and we remain committed to providing innovative, efficient, and equitable human resources programs. These initiatives enable state agencies to build and sustain a capable workforce that serves our citizens and supports economic growth across Louisiana. Our employees are the driving force behind the success of state government, and as a leader within this system, I am deeply grateful for their continued service.

ABOUT OUR AGENCY

State Civil Service is the central human resources agency for the state of Louisiana. We promote the understanding that the most critical factor in determining the success of Louisiana state government is its workforce. Our chief responsibility is to ensure the state is equipped with innovative workforce solutions designed to meet the unique needs of each state agency's mission.

As both a regulatory and consultative agency, we provide systems and services that will enable state agencies to make merit-based, quality decisions regarding the hiring, development and retention of skilled and capable individuals.

Our policies are guided by the provisions of Article X of the Louisiana State Constitution and are implemented in a manner, which is both efficient as possible and cost effective to the citizens of Louisiana. Such policies are founded upon the principles of equal pay for equal work, equal opportunity, ability-based employment and promotion, and freedom from political influence.

Our vision at State Civil Service is to set the standard of excellence in providing strategic state government workforce solutions.

STATE CIVIL SERVICE AGENCY VALUES

INTEGRITY

We believe that there is nothing more important than our reputation. Integrity is at the core of everything we do. We are honest and ethical because trust is key to the relationships with our stakeholders.

CUSTOMER COMMITMENT

We acknowledge every stakeholder as a customer. We are committed to anticipating their needs and proactively defining solutions.

INNOVATION

We believe in building a strong workforce. We embrace the discovery of what is possible and shape opportunities that enable action, even if it involves risk and failure.

ACCOUNTABILITY

We take responsibility for our actions as individuals, as team members and as an organization. We work together, support one another and never let the customers or our co-workers down.

STATE CIVIL SERVICE COMMISSION

The State Civil Service Commission is a seven-member body that has final authority over the administration of the State Civil Service system. The Commission serves as an impartial review board that enacts and adjudicates State Civil Service Rules to regulate state personnel activities, and hears appeals from classified state employees and agencies. Commission meetings and hearings are held monthly and are open to the public.

Six of the Commission members are appointed by the governor; the seventh is an employee representative elected by fellow state employees. Each member serves a six-year term. When choosing an appointed member, the Governor must select from a list of three people nominated by the president of one of the state's major private universities. Current members of the Commission are listed below.

To contact Commission members, call the Department of State Civil Service at (225) 342-8272 or reach them via email at civilservicecommission@la.gov.

ORGANIZATIONAL STRUCTURE

The Department of State Civil Service is comprised of the following major divisions.

Administration

Includes the Director's Office, public information, and management and finance. Provides fiscal, budgeting and personnel services for the Department, and through a shared services agreement, the division also performs these functions for three other state agencies, the Division of Administrative Law, the Ethics Administration and Municipal Fire and Police. In addition, personnel services are provided for the Board of Tax Appeals.

Appeals

Serves as the clerk of court for the State Civil Service Commission by receiving employee appeals of disciplinary actions or allegations of discrimination, scheduling hearings, issuing subpoenas, and compiling the record if judicial review is sought. The Appeals Division staff attorneys also hear and decide cases for the Commission.

Compliance and Audit

Provides an objective evaluation of the human resource practices used by state agencies to manage the classified work force. It assesses the effectiveness of those practices and the overall adherence to merit principles and compliance with Civil Service Rules.

Applications and Data Management/Information Technology

The Applications & Data Management Division and Information Technology oversees the collection, analysis, and reporting of data in regards to the State's workforce; the development and support of applications that serve the Department, Human Resources offices statewide and the public; and the storage of the Department's records and reports. The Information Technology team provides computer support services and is responsible for all components of our technical infrastructure.

Operations

Focuses on specific subject matters and functions to deliver effective and efficient consultation to state agencies to better serve the needs of our stakeholders: agency leaders and human resources community. In order to respond efficiently to the needs of state agencies, SCS has created four distinct divisions: Compensation, HR Program Support, Paper Agency Operations, and Talent Acquisition and Workforce Development.

Learning, Performance, and Culture

Support SCS's mission by providing award-winning instructional design of web-based and instructor-led training materials delivered through the Comprehensive Public Training Program. With the ongoing statewide implementation of an electronic performance management system, SCS is committed to providing as many resources to state agencies to allow for a seamless and efficient transition to the new system. LPC will be responsible for developing all resources dedicated to the new performance management system and any ongoing resource development needed.

Recruiting and Outreach Center

Provides a process whereby applicants for classified positions are evaluated through a validated, objective, and merit-based written examination and given scores that will assist state agencies in making effective hiring decisions.
